

Following an intense day of nail-biting live heats at this year's LACA Main Event, eight BIG SCHOOL BAKE OFF finalists are one step closer to taking the title of...

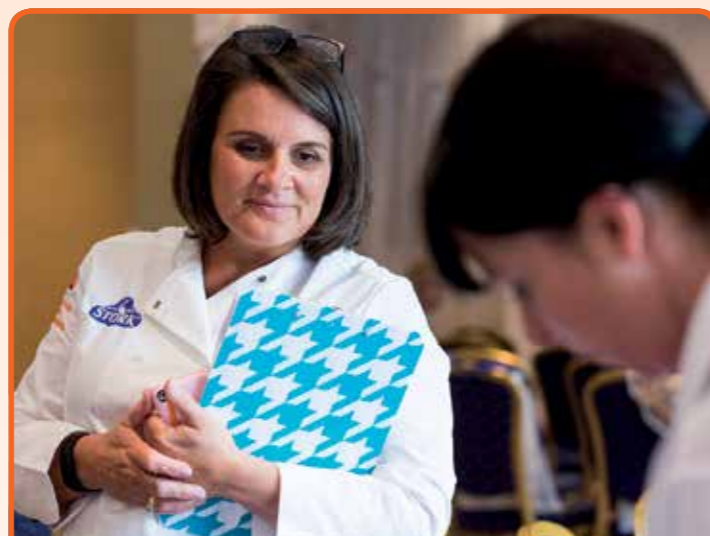

'BIG SCHOOL BAKE OFF CHAMPION'

After surviving a day packed with fruity bakes, we'd like to congratulate our eight finalists and wish them good luck as they prepare for the final.

The finalists will now take part in a technical challenge set by Jo Wheatley on **Tuesday 27 September** at Unilever Food Solutions' Chefmanship Centre.

All bakes included 50% fruit

Jo Wheatley, TV Bake Off winner:

“ The entry criteria was tough this year with the addition of including 50% fruit. And the judging was just as hard. But all the entrants were on top of their game. I can't wait to see our eight school caterers in action again at the final where they'll put their personality and stamp on this year's technical challenge. Last year's final was great fun and I'm looking forward to seeing these guys create some fantastic bakes. ”
